

How do we move from maintenance to mission?  
How do we discover or re-discover God's plan for our local church?

How can we be relevant in a changing world?  
How do we offer the Good News of Jesus in fresh ways?  
How do we make modern-day disciples?

**We offer a dynamic way to engage with these questions.**

# MISSION SHAPED INTRODUCTION

**Mission Shaped Introduction** is:

- all about God and God's mission
- for a local congregation's leaders and difference makers
- a prayerful and spiritual discernment process
- a 6-session engagement with key questions
- a multi-style learning experience
- a disciple-making tool
- designed to be facilitated by a team of clergy and I
- created for a variety of circumstances
- Cost: R600.00 for the Memory Stick with all that is needed

## What are the benefits of offering this course in your local Church regularly?

- A clearer **picture of who God is** and how God works with us
- A more united vision of the **purpose of the local church**
- Lay people **inspired** to move from 'stuckness' towards mission
- People grasp a greater sense of **ownership** for greater participation
- You gain a disciple-making model that is **duplicatable**
- Members **engage** with their hearts, souls and minds as they participate
- Finding that love moves people beyond fears to **embrace change**
- Members see the **world that God loves** and not just themselves

### Quotes

*"The church is either missional or it is not a church. One may, in such a case, call it by many other names, but preferably not church. Church means to be God's missional people in his world."* Prof. Malan Nel

*"The church will be missional or it will not exist."* Prof. Michael Herbst

*"A fantastic and easy to use tool for missional thinking for every church community. The chance to re-imagine so many different facets of life is something that every church should make full use of."* Jeff Reynolds, a Mission Enabler
